

Terms and Conditions

Racing for a Cause membership has been setup to provide an affordable way to be involved in racing and have some fun.

Where 'the trainer' is mentioned it refers to Michael Blake. £50 per month payable 1st of each month by standing order in advance for training and livery at cost price.

Surplus funds in the membership account after running costs will be paid to St Peters Hospice and Dorothy House on a quarterly basis.

Michael Blake will train and jockey Mitch Godwin will ride unless unavailable in which case the next best suitable jockey will be chosen.

If the horse is unable to race due to unforeseen circumstances we will use a suitable replacement where possible. Vets bills and horse value depreciation are included in the monthly fee.

Free Racecourse entry (1 ticker per membership) access to Owners, Trainers and Paddock areas when horse is racing. We will try to run the horse as locally as possible (Bath / Chepstow etc) through the season however, sometimes, if there is a race where there is a good chance of winning or being placed, the trainer will decide where it is best to race.

If a member wishes to leave we would appreciate one months notice.

Any winners up to that point would be paid but none thereafter.

Any winners can be paid to paid up members or members can choose to donate to the charities. If any member doesn't make the payment on 1st of each month they forfeit the winnings due for the period of non payment.

Accounts available on request.
